Présentation

With breathtaking views and rare on the market, this large-scale property stands out for its spectacular volumes, privileged location and diversity of possible uses. With almost 2,000 m² of living space, it offers around 30 rooms that can be arranged according to residential, professional or mixed needs. Designed to accommodate a large, prestigious family estate as well as a corporate headquarters, family office, foundation, private clinic or institutional project, the structure, circulation and vast modular spaces make this residence ideal for a wide range of configurations. The property boasts a breathtaking, unobstructed view of Lake Geneva, offering a working or living environment of rare quality, in a secure, private and totally unobstructed setting. A remarkable feature completes the ensemble: a garage that can accommodate up to 25 vehicles, ideal for prestige car enthusiasts and collectors, or to meet the logistical requirements of a high-end professional activity. Combining discretion, security, exceptional volumes and unique development potential, this property is aimed at a demanding clientele looking for an exceptional property, capable of adapting to ambitious projects, today and tomorrow.
