Built on a plot of over 3,000 m², this rare property enjoys a peaceful residential setting with a beautiful view of the lake. Constructed in 1984 and organized into two symmetrical volumes, the villa offers generous spaces spread over three levels, totaling nearly 960 m² of living space. The two parts, easily connectable, offer 9 bedrooms and 9 bathrooms. Designed for comfort and discretion, it also includes a full wellness area, an independent accommodation for staff, and spacious reception rooms. Outside, the enclosed garden maintains perfect privacy and hosts a heated pool, terraces, and outdoor living spaces.
