Présentation

In one of the most exclusive environments of Crans-Montana, a truly unique property unfolds, embodying the absolute excellence of Alpine living.

Positioned in a dominant location and benefiting from an ideal southwest exposure, this chalet enjoys remarkable sunlight as well as a breathtaking panoramic view of the Alpine peaks.

Spread over four levels, this exceptional residence offers a perfectly controlled interior architecture, where volumes, light, and perspectives combine with elegance. It features 12 sumptuous suites, designed as true private spaces, enhanced by a rigorous selection of noble materials and ultra-high-end finishes.

Designed as a true sanctuary, the chalet has a large wellness area, including an indoor pool, conducive to absolute relaxation in an intimate and refined setting.

The amenities reach a level rarely offered on the market, with an exceptional wine cellar, elegant reception areas, and a remarkable high-end garage capable of accommodating several vehicles under optimal conditions.

Immediately close to the ski slopes, the property benefits from ski-in/ski-out access, offering unparalleled ease and comfort for ski enthusiasts.

A rare real estate asset, aimed at an international clientele seeking exclusivity, discretion, and a lifestyle without compromise.
